The Republic of Ourisio: A semi-isolationist democratic socialist, "muscular" parliamentary republic with hispanophone minorities, conscription and a world-class aerospace and tech industry in the far north. Famous for pioneering powered flight and bad food. Think "Norwayifornia" but more fighter jets and robotic arms.

I presume he, or she, is from Israel. His or her flag, in my opinion, reminds me of the Israeli flag even though they do not look identical. Far from it. Please don't ask why.

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.
