Elton John - Your Song

From the 1970 album *Elton John*

*And you can tell everybody this is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

A happy little Batman music video based upon the charming Dethklok track *Face Fisted*. Enjoy!

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Elton John - I Guess That's Why They Call It the Blues

From the 1983 album *Too Low for Zero*

*And I guess that's why they call it the blues
Time on my hands could be time spent with you
Laughing like children, living like lovers
Rolling like thunder under the covers
And I guess that's why they call it the blues*

Elton John - Goodbye Yellow Brick Road

From the 1973 album *Goodbye Yellow Brick Road*

*So goodbye yellow brick road
Where the dogs of society howl
You can't plant me in your penthouse
I'm going back to my plough*

*Back to the howling old owl in the woods
Hunting the horny back toad
Oh I've finally decided my future lies
Beyond the yellow brick road*

Elton John - Mona Lisas and Mad Hatters

From the 1972 album *Honky Château*

*Subway's no way for a good man to go down
Rich man can ride and the hobo he can drown
And I thank the Lord for the people I have found
I thank the Lord for the people I have found*

*While Mona Lisas and mad hatters, sons of bankers, sons of lawyers
Turn around and say good morning to the night
For unless they see the sky, but they can't and that is why
They know not if it's dark outside or light
They know not if it's dark outside or light*

*Why is the bedroom so cold?
You've turned away on your side
Is my timing that flawed?
Our respect runs so dry
Yet there's still this appeal
That we've kept through our lives*

*But love, love will tear us apart again
Love, love will tear us apart again*

Oasis - Don't Go Away

From the 1997 album *Be Here Now*

*Cold and frosty morning there's not a lot to say
About the things caught in my mind
And as the day was dawning my plane flew away
With all the things caught in my mind
I don't wanna be there when you're coming down
I don't wanna be there when you hit the ground*

*So don't go away, say what you say
But say that you'll stay forever and a day
In the time of my life 'cos I need more time
Yes I need more time just to make things right*

Elton John - Can You Feel the Love Tonight

From the 1994 album *The Lion King: Original Motion Picture Soundtrack*

*There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment, and it sees me through
It's enough for this restless warrior just to be with you*

*And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far*

*And can you feel the love tonight?
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best*

The Beatles - Yesterday

From the 1965 album *Help!*

*Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
oh, I believe in yesterday*

*Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly*

*Why she had to go?
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday*

The Beatles - One After 909

From the 1970 album *Let It Be*

*I got my bag, run to the station
Railman says you've got the wrong location
I got my bag, run right home
Then I find I've got the number wrong*

*Well I said I'm trav'ling on the one after 909
I said move over honey I'm travelling on that line
I said move over once, move over twice
Come on baby don't be cold as ice
I said I'm trav'ling on the one after 909*
