Legal, but prepare for those you defrauded, and their allies, to seek vengeance.

Storming a prison with machine guns and bombs, taking the guards hostage, and setting all the inmates free.

Depends on who owns the cookies and the jar. If you're a member of the dominant tabulon race, usually this carries no punishment. However, you can expect public shaming if you steal cookies from a jar owned by a Kaywellian nobleman, respected military figure, member of the royal family, or other esteemed individual.

If you're not a tabulon and you steal cookies, you can expect to be executed or at least receive thousands of lashes from their masters' Zeruel strips (basically whips but with dozens of strands).

If you fight the Corps of Thirty (state Eremite legion) or a soldier: 15 years in jail.

If you fight a local Eremite group, it's up to the Eremite leader. Punishments per them can be either hard labor (like prison labor) for up to 1 year (any time is strictly held up by government contract and Eremites who extend the sentence are punished by disbanding and imprisonment of their leadership), monetary fine, or death via beheading by an Eremite sword.

Re: Stealing Weapons from Police

Theft of weapons. 1-5 years hard labor. If the weapon was taken from a police officer and the manner in which it was taken charges can be added included assault and mischief (increasing the sentence an extra 1 to 3 years).

Re: Breaking into a museum and stealing artifact.

Burglary 1-3 years hard labor, defrauding the public of an article of heritage, up to an additional 5 years hard labor, X2 restitution the cost, price or value of the artifact.

Re: Dueling

Once weapons are unsheathed and brought to the ready, the perpetrators can be arrested for breach of peace, and depending on motive arrested for intent to cause grievous harm, intent to commit homicide. If it is after the fact, illegal dueling (1-5 years hard labor) is added to whatever damages are done (bodily harm, homicide, etc.) Willfully causing bodily harm (1-5 years hard labor). Willfully causing grievous bodily harm (5-10 years hard labor), Willful homicide (10-20 years hard labor). The death penalty can be applied if it was not a fair fight, or the perpetrator cheated in order to kill the opponent. Narland is weird that way.

Not a crime - CDROMS/Pirated CD versions are okay since there aren't any legislations protecting video game rights in Aituia. Unless they are foreign games, then it would be a fine of 82.18 NSD

If you have no license, then it is assumed you would be doing this outside of government operation. Theft of government resources is a minimum of 35 years in prison, and engaging in private enterprise is a minimum of 25 years. If you were somehow doing this within government operation, this would be considered falsifying government records, which is a minimum of 40 years.

Depending on severity and activities done with the false identity, it can range between 2 and 4 years of prison.
