Alcest-Les Iris

I actually know that "Les" in French means "the", and that's only because I played with a bunch of French people on an old online game I used to play, and was like "The hell is my name doing in guild names and discussions?", so I asked out of curiosity...

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
