D'Oyly Carte Opera Company - *When I Was A Lad* (from HMS Pinafore)

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Destiny 2: Shadowkeep music

"All is lost, Guardian. Get out of here. I'll hold them off for as long as I can. The Fallen cannot be stopped. They do not negotiate. Their bargains are lies. I've watched them burn and pillage whole villages in the Cosmodrome. [gags] I've watched Dregs eat children. They envy us. Their legends say the Traveler chose them before us. And they will kill. They will torture. They will maim to earn their Machine God's favor." -Saint-14

Listen yall. I'm only gonna say it once but I want you to remember it. This ain't a world fit for good men. It seems like you gotta be monstrous just to make it. Gotta have a little bit of darkness within you just to survive. You gotta stoop low everyday it seems like. Stoop all the way down to the devil in these times. And then one day you look in the mirror and you realize that you ain't you anymore. You're just another monster, and thanks to your actions, someone else will eventually become as warped and twisted as you. Never forget that the best of us are just the best of a bad lot. Being at the top of a pile of feces doesn't make you anything but shit like the rest. Never forget that.
