Skipping to 4591, assuming prior post is 4592.

4591 enjoyed Margarine way too much, to the point that its arteries literally clogged with grease and fat and it suffered a fatal heart attack.

monkey 4590 tried to get toilet paper at Costco, and a there was only one left. Right as he grabbed it, a panic buyer shot him in the back and ran off with the toilet paper pack.

He was pronounced dead at the scene.

4577 calculated Graham's number in his head successfully. He got complacent so he then tried to calculate Rayo(10^{100}). It took so long that he was less than 1% finished by the time the universe ended.

Monkeys 4,567 and 4,566 coincidentally ran into Russell Crowe. Russell Crowe sang his new song for 4,567 and the monkey couldn't deal with it and shot himself dead. 4,566 booed and in a violent rage, Russell Crowe beat him till he wasn't moving anymore.
