Regarding joyriding, it is legal only in unlimited speed roads and selected roads, and only for those with a professional driver's license. However, motor vehicle theft is a serious offense, with a fine of 15,000 notes and being banned from using cars by up to 6 months

Defecation is a biological function that Disorder citizens tend not to perform. Chemical food doesn't have the energy density to sustain them.

This wouldn't be a crime. In fact, it would be easy to just seal the compartment & blow the turd out into space with a burst of hot plasma.

Depends. If the victim in question is a male tabulon (our dominant race), then forced labor for life. If female tabulon, forced labor for 20 years. If any other race of any gender, that is not a crime.

In Palladion State, censorship is outlawed and any attempts to make laws to restrict people's freedom are barred by the Vocaloid Party supermajority. The punishment for this type of crime will be a fine of 20,000 notes, and a court hearing. However, this incidents rarely occur as almost no one is harassing people thanks to very nice, inclusive, and compassionate people in Palladion State.

Like majority of crimes committed in Equai, this one has layers as well. The sentences go from 5 to 25 years in prison depending on the severity and the intent behind the theft. Additionally, damages to state and community own buildings would count to a charge too.

If during the theft or after already stealing a car, casualties happened a charge for a murder thus raising a sentence to 50 or life, depending on the degree of a murder (Equai recognizes 4 degrees of murders)

Depending on the amount of damage, materiel losses and deaths, military men responsible for the signing of the contract are probably going to be either ordered to kill themselves or shot at noon, civilian contractors are definitely going to be shot at noon.

Where Tekatus has legal Jurisdiction, Theft is considered a willingness to take something illegally, regardless of reason. Punishment is usually a fine equal to or greater than the value of the property stolen, Time spent doing Community Service, and even Jail or Prison. Though under the context of self-preservation, a merciful Judex might sentence Community Service for a reduced duration.

Not a crime. Failure to properly dispose of chewing gum on a public transport is a public misdemeanor punishable by a fine of not more than the equivalent of 1 days wage, and one day of community service.

Divorce

Divorce is not a crime. It is a legal breach of holy matrimony sufficient to void the marriage covenant. There are crimes relating to divorce such as abandonment. E.g., if a person acts as though divorced from the spouse when that person really isn't, that person will probably be charged with abandonment (mandated marriage counselling, and if criminal abandonment, up to 5 years hard labor).
