Parliamentary Oligarchy (no clue how that works)

*This message has been brought to you by the amazing government people with jobs that work for the government in **New Stonen**.*

This nation doesn't (fully) support my IRL views on the world, and neither do my NS stats.

This government is clearly run by a technocratic secret society with an oligarchic council at the head. Said council is mostly appointees as the current council votes in new members when one dies from a pool of devotees and servants that spend years trying to make their way up the ladder to obtain favors.

Totalitarianism

Trying to protect liberalism from professional butthurtism, moralism and useful idiotism. Giving a shit if misgendered. Probably adopted from outer space.
