Want to open an embassy with The Ice States?

Pfff, what kind of idiot would advertise their embassy program through a signature link? That's stupid. You're stupid, The Ice States.

Hey friend, I'll pick a line for ya!

False Rumours of mass arrests/liquidations emerge.

But of course, mass arrest procedures are simply false. As they are false within our nation as well. It is quite a shame that there are rumors speculating about it, though.

Definitely imperialist, but it's honestly more theocratic than anything -- of course, the religion in question is very much a violent one that promotes war, etc.

Leader of Soveinian Mafia seen in Tijuana making deals with Mexican Cartels last Friday

We call BS on that. We own the Baja California peninsula and we saw no such mafia or Mexican cartels making any deals. We'd have heard about it and ineffectively tried to suppress it if we had. Besides, any cartels here died out 200 years ago in atomic fire. I think the real story here is that you're high as all fuck, and are in actually seeing two homeless people talking to a car in some form of disturbed hallucination.
