Pretty known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

I'm fairly sure this user's related to Afrio in some way or another because of their posting style.  
A little well known, but not for particularly good reasons.

Definitely becoming remarkable on F7 and the forums for their style of interacting. Well known for good reasons, even if marred by some aggressive behavior (that in all fairness is understandable given the behavior of some on this site, but still). Also becoming better known in FT circles (or whatever community Buhers is a part of, it's been a long day) for the exact reasons.

I do not participate in "FT circles" (I'm not sure what they're called myself) due to sheer lack of interest or motivation to work on any long-term projects.

Sliightly recognise the flag, but the name is nowhere to be found in my memory. Whether that says something about the AN's lack of renown or my poor acquaintance with the forums, I'm not sure.

AN: I probably met him/her before, but I think he/she is very prominent in the forums because of their number of posts.

AAN: Same as above.

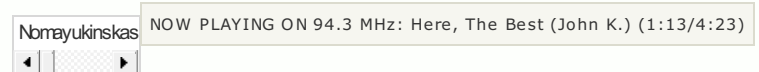

AAAN: I've never seen him/her before.

AAAAAN: He (I assume because I've seen him and known him a lot) is very known, not just by me, and prominent in the forums.
