Abigail - Attack with Spell

Probably the closest thing to black/thrash/glam metal fusion you can get.

*So here's to comrades near and far  
Raised a glass, raised hell  
Years have passed closer to the grave  
But this is the song we chose to sing  
To the bitter end, to the end*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*
