One Direction - Drag Me Down  
From the upcoming *Made in the A.M.* (2015)

*If I didn't have you there would be nothing left  
The shell of a man that could never be his best  
If I didn't have you I'd never see the sun  
You taught me how to be someone  
Yeah-eah*

*All my life you stood by me  
When no one else was ever behind me  
All these lights, they can't blind me  
With your love nobody can drag me down*

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).

[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

The Rolling Stones - Shattered  
From *Some Girls* (1978)

*All this chitter-chatter  
Chitter-chatter, chitter-chatter 'bout shmata, shmata, shmata  
I can't give it away on 7th Avenue  
This town's been wearin' tatters, uh-huh*

*You've been shattered  
Work and work for love and sex ain't you hungry for success?  
Success, success, success, does it matter?  
I'm all shattered, does it matter?*

*Ah, look at me, I'm all shattered  
I'm all shattered  
Look at me, I'm all shattered, yeah  
Shattered*

U2 - Stay (Faraway, So Close!)  
[Live performance at Glastonbury 2011](#)

*Faraway, so close  
Up with the static and the radio  
With satellite television  
You can go anywhere  
Miami, New Orleans, London, Belfast, and Berlin*

*And if you listen I can't call  
And if you jump, you just might fall  
And if you shout I'll only hear you*

Billy Joel - Allentown  
From *The Nylon Curtain* (1982)

*Every child has a pretty good shot  
To get at least as far as their old man got  
But something happened on the way to that place  
They threw an American flag in our place*

*Well I'm living here in Allentown  
And it's hard to keep a good man down  
But I won't be giving up today*

*And we're living here in Allentown*

From *Bedtime Stories* (1994)

It took me much too long to understand  
How it could be  
Until you shared your secret with me*

Something's comin' over, mmm mmm  
Something's comin' over me  
My baby's got a secret*

Madonna - Frozen  
From *Ray of Light* (1998)

*You only see what your eyes want to see  
How can life be what you want it to be  
You're frozen  
When your heart's not open*

*You're so consumed with how much you get  
You waste your time with hate and regret  
You're broken  
When your heart's not open*

*Mmmmmm, if I could melt your heart  
Mmmmmm, we'd never be apart  
Mmmmmm, give yourself to me  
Mmmmmm, you hold the key*

*Now there's no point in placing the blame  
And you should know I suffer the same  
If I lose you  
My heart will be broken*

Elton John - Harmony  
[Live performance, October 1999](#)

*Hello, baby hello  
Haven't seen your face for a while  
Have you quit doing time for me  
Or are you still the same spoiled child*

*Hello, I said hello  
Is this the only place you thought to go  
Am I the only man you ever had  
Or am I just the last surviving friend that you know*

*Harmony and me  
We're pretty good company  
Looking for an island  
In our boat upon the sea  
Harmony, gee I really love you  
And I want to love you forever  
And dream of the never, never, never leaving harmony*
