Somewhere fairly Anglophilic; my guess would be somewhere in the home counties

Barring that, I'd say you're an American cosplaying as a European 🤔

North or South Dakota, USA.
I think you're American, but some German heritage got you inspired?

Okay, people are getting way off the mark with me, sorry to say. I'm from the United Kingdom, now try to guess the town, city or county.
Good luck!

Difficult to say! If I knew your spoken accent I could hazard a guess, but written British English is harder to break down into regions.

Based purely off your nation, which has a definite monarchic tinge, I would probably guess Southern England, maybe the South West

South would be correct, but still off the mark.

Always a fan of your nation, Aikoland!

I feel like France would be a lazy guess, so I'll try and make it more interesting. From what I can glean from your IC content, you have a fondness for monarchy, European history, and mild Euroscepticism (albeit not opposed to NATO). Judging purely from that, I would say the United Kingdom, or possibly Switzerland.

Definitely Brazil. I just doubt a non-Brazilian would have Brazil conquer the entirety of South America.

Nation of MT Tocharians who want to bring back the Ming dynasty. Doesn't represent my real views.

More that Gran Colombia conquered the entirety of South America, finishing with Brazil. But yes, it is our heartland and most populous province by far. 😊

As for your nation, I would say South Korea, given your association with Quartia and Karafuto. I love the idea of expanding what I already consider to be a fascinating alternate earth map, especially in Central Asia (which hardly ever gets love on this site). Looking forward to what you come up with!
