“

this evening i unzipped my skin
and carefully unscrewed my head
exactly as I always do
when I prepare myself for bed
and while I slept a coo-coo came
as naked as could be
and put on the skin
and screwed on the head
that once belonged to me.

U.S.S. UNITED STATES (CVA-58)
"GONE, BUT NOT FORGOTTEN"

☐ ☐ ☐ ☐

Intended as the first of a new class of "supercarriers" for the United States Navy under the administration of President Harry S. Truman. Her design was notorious for lacking an island superstructure and its unconventional deck layout, which would not be seen in the succeeding Forrestal-class.

In 1949, only five days after United States' keel was laid down, she was cancelled by Secretary of Defense Louis A. Johnson as part of a campaign to cut down the naval budget and advance the development of airborne nuclear deterrence via long-range bombers.
