Good god the contingency orders are brutal. Politicians turning to skeletons, citizens under house arrest, purges.

That said, that is some A+ quality contingency prep work to keep the DGES up and running. Might need to write up some contingency plans myself.

+5 brownie points for having a skeleton army.

It seems they control most of the Southern France (Aquitaine, Occitan, Provence, etc.) under a monarchy. (I'm not sure if the purple part that has Paris as a capital is part of N. Provence or not)

Northern Nouveau Provence is actually a RP puppet that has Paris as their capitol. I'll update the map in the morning so it's more clear. :-)

You are a Post-Modern Tech global world government based on American ideals, but with authoritarianism operating with a pseudo-democracy under a dictator robot. The robot pretty much runs this Fallout-inspired country. While I find this quite admiral (especially the leader section of your factbook - very interesting read!) the dystopian authoritarian control is extensive.

Saved your factbook for future reading. Very interesting and very detailed (and the use of graphics are on point as well.)

Officially they don't condone political parties, but they still exist within their society.

AN:

Their reigning Empress, Solarya I (Solarya Viktoriya Adelheid Matilde Aureliana), was successfully able to transition her nations "imperial civilian economy" into a war economy. She has a fondness for Rhine Capitalism and Enlightened Authoritarianism.

**Kabzeel**, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-marxist)constitutional monarchy* with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "*Royal Socialism*", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.

Their leader is a "Christian Atheist", meaning that while he adheres to much of what Jesus taught, he does not believe that Jesus was divine.
