*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Soviet Suprem - 1917

The dead swans lay in the stagnant pool.  
They lay. They rotted. They turned  
Around occasionally.  
Bits of flesh dropped off them from  
Time to time.  
And sank into the pool's mire.  
They also smelt a great deal.

Vassar Clements - *House of the Rising Sun*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
