Free Jeililand is a strong, patriotic society of settlers exiled from a failed state that didn't respect the citizen's right to refuse to participate in a chaotic, uncontrolled, and vile society.

That's why the federal police force control everything instead of the government. How orderly and well kept!

Arrested and charged for indecent exposure, breach of the peace, perhaps distribution of sexual content to a minor (if kids were around), as well as filming of pornography (illegal).

All up you're looking at about 10 years if there were kids around, probably 2 - 4 if not.

Importing an unsafe old car which also emits a lot of pollution?

Not a crime. It must be made roadworthy (varies by State and Canton) to receive certification to drive. Failing to receive a certification results in a citation and the vehicle impounded. If the citation is not addressed the vehicle is recycled, and the proceeds given to pay the citation. Should the citation not be paid, the person's wages are garnished until paid in full.

Directing an attempted Marxist insurrection (or if a Marxist or non-Capitalist state a Capitalist Insurrection) that burns down a neighborhood and leaves several people wounded or dead?
