Federated Communes of Cygnus X-1

A federation of various leftist Communes in a Sci-fi world, orbiting a beautiful dance of a black hole and a blue star.
Part ancom, part Democratic Confederalist, some mutualism and a fair bit of fully automated luxury gay space communism. So a united libleft polity in space.

AN is F7-speak for "above nation" - which in your case would be Montevento.

Yeah, I might

Ithallians are the definition of unconquerable. They are bound by a brotherhood that can only be forged in a war, for Ithallians, all of them, know the cost of freedom. As long as you respect them and are faithful in your dealings with them, Ithallians will treat you like a member of that family. If not...they don't tend to leave survivors...
