Yes, I found it again! I lost track of this song, because it was removed or something, shortly after I discovered it from a friend of my brothers (and a friend of mines, technically)

Cottonmouth, Melvins.

funny and kinda creepy too

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Still this. Love the lyrics as well. It's the type of lyric's I can interpret in many different ways, and those can be my favorite type's of lyrics. It actually works well for an RP character of mine at the moment (Or, kind of a bunch of them, but yeah).

Probably my favorite Puscifer song now.
