I don't know them, and judging by the fact that they are pretty new and don't seem to be a puppet of any nation, they probably aren't well known. They do have a signature though, so they're maybe known a little?

They've just popped up recently despite being ~1 year old for a NS account, + it seems to be a throwaway account so I'd say not well known

Idk, having a nation called Random Nation *insert no. here* and a factbook with 2 image link seems off imo

True. It's not the second Zandilund yet (Zandilund was basically my image storage) but having your only factbook contain image links is pretty off.

/skip, not that it needed to be said (the skip and the comment)

Encountering this nation isn't uncommon and they do frequent a lot of places such as the basic F7 threads and the II and NS RP threads, so they aren't really an obscure nation around these parts and a name that is easily remembered, but overall other than that it doesn't strike me much as distinctive.

Psychotic Dictatorship

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.
