21st Century Schizoid Man.

Trying to play along with it.

Robert Fripp is too fast, man.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

The Fire - Senses Fail

" My Friend, the difference between Communism and Fascism is a rather blurry one. Think of it, The Soviets had a single party system and total control over the peoples life. The Italian Fascists had a single party system and total control of the peoples life as well. so tell me, how is Fascism and Soviet Communism Different? "
