Reconstruction of the area

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia

They rebuilt it in the Catalonia region of Spain.

Also apparently some glitch happened where my reply got posted thrice or something.

But removing the construction team also prevented the original reconstruction of the area.

Use NS Stats if you want, I don't mind.
