Probably my favorite Ihsahn album so far. Already put it on my 5th favorite album of 2013.

And with that, finalizing my opinion on another.

Melt Banana-Candy Gun

Superdrag - [Feeling Like I Do](#)

*Come on baby get me into the car
Out on a bender and waiting for you, get me out of the bar
I don't feel like staying, I just want something to do
I just wanna sleep it off with you, pour me into you*

Oh this song gives me the feels.

I wanna take you
Take you way down
[To my favorite place in town](#)

Journey- Any Way You Want It

We played this in band so I wanted to hear the original.

[Kendrick Lamar - Money Trees](#)

*"It go Halle Berry or hallelujah
Pick your poison tell me what you doing
Everybody gon' respect the shooter
But the one in front of the gun lives forever
And I been hustling all day, this a way, that a way
Through canals and alleyways, just to say
Money trees is the perfect place for shade and that's just how I
feel"*

***If liberty means anything at all, it means the right to tell people what
they do not want to hear. - George Orwell***

***Wise men speak because they have something to say; fools because they have to
say something. - Plato***
