I like a lot of songs by them, but I haven't really thoroughly listened to all their music.

Love & Time - Chris de Burgh, the rerecorded new version, entirely different, and it has an ampersand instead of the word and.

Isn't linking your last.fm page a less tiring way to share every song you listen to with the people on NationStates?

Don't have one. Barely know anything about it. I just use Spotify. Besides, this is a 'What are you listening to right now?' thread, not a 'What is everything you ever listen to?' thread

Daughter-Run

I use Spotify as well (: And that's why I suggested last.fm (; Anyway, Daughter is amazing.

Yeah, I quite like Daughter. Though, there are plenty of bands I like much more. Mostly instrumental bands. I like a bit of everything, really.
