### What have you learnt after reading the AN's factbooks? II

by **Destructive Government Economic System** » Fri Oct 26, 2018 5:38 pm

Original thread is about to hit 500 pages. I'm gonna snipe the chance to make a re-iteration but leave the original OP as is:

**Bluelight-R006 wrote:**

This game is what the title says: You read some of the AN's factbooks and then summarise what you have discovered or learnt from what you had just read onto this topic. It can be something as simple as 'They are really powerful' to a very complicated summary of about four lines long. Example:

**Nation A:**

I have learnt that their territory consists of about 2/3 of Eurasia.

**Nation B:**

I have learnt that their military is advanced.

**Nation C:**

I have learnt that they own two planets and that they have two capital cities for each planet.

No one above me, let's start.

I have learned that the User Control Panel has factbooks, but they're completely invisible and unable to be accessed. Scary? No... *much* more than that.

Their king inherited his position and has kept their country in peace for over 20 years. Recently however he has given up his pacifist ways for a more nationalist (common sense) defense policy. Also, he looks homeless.

### What have you learnt after reading the AN's factbooks? II

by **Frievolk** » Sat Oct 27, 2018 5:41 am

This is the second volume of the thread of the same name. Like the previous thread, the rule is pretty simple. You read some of the AN's factbooks and then summarise what you have discovered or learnt from what you had just read onto this topic. It can be something as simple as 'They are really powerful' to a very complicated summary of about four lines long. Of course, it is preferable not to copy and paste one sentence from one of your ANs factbooks, but you do you.

Example:

**Nation A wrote:**

I have learnt that their territory consists of about 2/3 of Eurasia.

**Nation B wrote:**

I have learnt that their military is advanced.

et. al

Nobody above me, but the last person to respond in the previous thread is [Anglomir](#) if you want to respond to them instead.

The amount of history they have is absolutely insane, in a good way! Going back as far as 780,000 years, that's dedication.

(Meanwhile I can't even do a ROUGH timeline of my history. 🤔)

Not a "candidate"

IF someone's *on the line of succession* (i.e. there's no need for a race to the throne), but doesn't have an unhyphenated "von Berun" (or similar title, "Bruan", "van Bruan", "van Berun", etc. may also work) they get disqualified. Johann (current emperor) isn't even blood related to the House of Berun 🤔 /skip

The fact that they are established more than 500 years ago, and... they have 69 million people. I'm too immature, sorry.
