**Bendicion**, aah  
Well here's the thing

I honestly don't know! Your whole presence here sets off my mind like a generator thinking about times I've seen either you - or someone here that's similar to you - around quite a few times already, and that you should be more well known to me than I give current credit for... But that's the thing, I can - with around 70% comfort - say that I've seen different NationStates accounts like your's around, and by that I mean the whole "I've got an image of a character as my flag and I'm just here moreso as A SINGLE CHARACTER, perhaps simply myself rather than an actual... Well, NationState" if you get what I'm saying. But at the same time, your account's name doesn't actually ring any bells for me. Maybe I'm thinking of someone else.

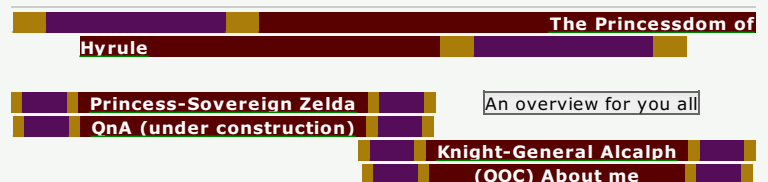

Either way, you aren't really that well known to me, but of course I'm never against those kind of things changing!

As for "how well known is the AN" in terms of the wider community, well... Let's just say I've been out of the loop for a few months and thus have probably missed a lot, but then again, none of the people I talk regularly with have brought you up to me, for better or for worse so perhaps you are quite new to the community as well as me.

I hope you're enjoying NS, and more specifically Forum 7!

[ Edit ] (I see you're a part of **Caer Sidi**. You might recognise me, in that case. I assume you might know of the **Library of the Oracle**, no? Well, that's me!.. So, maybe I SHOULD recognise you, but my mind is either being very stupid right now or we just haven't really talked with one another. )

First time seeing. Though, according to their effort on a reply, I am looking forward to seeing they becoming more active.

I haven't seen them ever in Forum 7 or any other forum despite them being here for months. That said, I would say not very well known.

Seen them around in both F7 and NSS. Relatively average, making a name for themselves.
