BN: Since I have both parliamentary parties and extra-parliamentary parties, you should choose one or more from the parliamentary list and one or more from the extra-parliamentary list.

Green Party, though the Social Democratic Party and Market Party are also considerable options.

BN: we use MMP, so choose one party you'd vote for FPTP and one for PR.

BN: Communist Party or Communist Party? Choose!

We are the Union of Soviet Socialist Republics but in an alternate dimension. In our dimension, the Cold War is still going on and we've reformed our government similar to how China did, though we still kept the command economy.

I've been thinking about it for a while, its a really difficult choice, but I think ultimately I'd vote for the Communist Party!
