"Dear Prudence" by The Beatles. Currently on a Beatles binge.

"In the degradation of the great way come benevolence and righteousness.
With the exaltation of learning and prudence comes immense hypocrisy.

The disordered family is full of dutiful children and parents.
The disordered society is full of loyal patriots." -Tao Te Ching

Miles Davis *Sketches of Spain* - I much prefer Jim Hall's *Concierto*. Chet Baker is just so much more pleasurable to listen to than Miles Davis. Davis' idea of Spain seems to have come from film posters of flamenco dancers and bullfights.

deadmau5 & Kaskade - *I Remember*

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

The Mitchell Trio - *I Was Not A Nazi Polka*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
