I do not believe we have interacted before, and they do not have a high number of posts.

I will guess that they are at 2.5/10 on the Zeitgeist Domination Scale™.

From the Minister of Foreign Affairs of the Marineri Islands:
The central emblem on the **Marineri Islands** flag represents a **penu**, a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

It is not a dress.

2.5/10. They're a fairly new nation without many posts out of F7.

Hello there. I'm Simonia.

Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

From the sheer number of posts alone, I put them at 9.5/10 on the Zeitgeist Domination Scale™.

Despite being fairly new, they've racked up an impressive amount of posts in F7. I've personally never seen them, but I'd probably have to say known.

Republic of Oskenia
