The surgeon, who is also Symund's barber (yes, they were often the same job back then), realigns it with a splint

Symund tells himself he is fine. He goes to find the bear in the woods, but is very painful.

Symund, who had brought a bow with him enters a Cat and Mouse game with the bear. It appeared they were hunting each other, However, the bear after a couple hours charges a Symund, however he dodges put of the way, and stabs the bear in the head. He brings the head as a trophy.

Symund, after being shot in the foot, remembered his cat left in England, he sent his best men to retrieve the cat, but then the cat fell from a bucket on a ship.

Symund destroys all buckets he can find in Mexico

...

Let the bucket purge of Mexico begin...
