Uh, not really. The idea of being a citizen in any Ace Combat country knowing some mute psychopath would wipe me out with one button is not a thought I'd constantly like on the brain.

Even though they're a bit too socialist-y for me, they've got quite a high HDI, so I guess I'd try.

It seems like a good place, at least considering the environment, but it has low civil rights, so I probably would visit there but might not live there.
