That's a cool one too...

Radiohead- Karma Police

First time listening to Radiohead...

I'm hoping you'll love it. I did and I still love them, I just don't listen to them as often as I used to.

Charles Mingus - Track A: Solo Dancer

Not bad but don't think I'll like it a lot yet...

The Beatles- Within You Without You

Personally I find this better than Tomorrow Never Knows.

Same here. I used to listen to them all the time, but lately, except for when I went through all but one of their albums, I haven't listened to them much, mostly due to listening to a ton of other things.

Sainkho Namtchylak-Deep Blue

Such a strange singer and songwriter.

Same here, I've also focused more on other genres than 'Alternative Rock', mostly Jazz, Hip-Hop, Electronic and Folk music.

Ofcourse there are alot of Beatles tracks I absolutely love, Tomorrow Never Knows is always one for me that pops-up in my mind.

Their discography is to big to pick a specific song, let alone sometimes a favorite track from just one of their albums.

Charles Mingus - Track 4 of The Black Saint and the Sinner Lady

To long of a track name to post.

You can do it!

The longest track name I can think of is And By Our Own Hand Did Every Last Bird Lie Silent in Their Puddles, The Air Barren of Song as the Clouds Drifted Away. For Killing Their Greatest Enemy, the Locusts Noisily Thanked Us and Turned Their Jaws Toward Our Crops, Swallowing Our Greed Whole by Red Sparowes. They have a lot of interesting, really ridiculously long song names.

I can think of Everybody's Got Something To Hide Except Me and My Monkey, and Sgt. Pepper's Lonely Hearts Club Band. Both by The Beatles. XD Not as long as your one song though.

Michael Jackson- Thriller

Those are fairly big songs, though. Bigger then the average.
