Probably, Republican Socialist Party. It is the most leftwing party that support eco-socialism, though I am not a fan of any kind of nationalism and do not consider any kind of nationalism to be left-wing.

Scientific Union

For BN: Post-2080 Kaywellian political parties

1. Imperial Traditionalists (more "left-wing" of the two parties; advocates for the maintenance of Kaywellian cultural traditions while promoting freedom for businesses)
2. Kaywell First Party (more "right-wing" of the two parties; advocates for Kaywellian ultranationalism, total economic deregulation, and the elimination of protections for minority groups in the name of preserving Kaywell's purity and prosperity)
