Yes. 1) I post too much in FB&NI to go with more "personal" flag. 2) I've had this one for 4 years, this flag kinda defines me here 3) I like this combination, someone else might take it if I didn't have it. Seriously, 2 years ago there was someone with almost same colors and order, he was kind enough to darken them and flip them upside down to avoid confusion I think he's an ex-nation though.

Just... watch it. It's awesome. The intro is a bit slow, but it's great all the same.
