Yes.

Republic of Azania

Basically an alt-history South Africa in which apartheid never happened.

.....I'd say probably? I mean, a nation with furries is naturally gonna intrigue me significantly, and the living conditions are pretty good. As long as I can take all my stuff with me, I'd be good.

What happens when you cross anime powers and overpowered leaders with furries, all written by a bored Homestuck fan with too much time? Well, you get Rumei. A multiethnic, FT republic with both might and magic that let it conquer the entire Orion Arm.

A 7.6 (this is probably outdated but I can't do the calculations rn) (Tier 9, Level 6, Type 9) according to [this index](#).
Come to The Orion, we got [CULTURE](#) and [FURRIES](#)

Show Recommendation: Cobra Kai. It is very, very good.

IC Name: Roman Republic, or simply Rome (Rumei). Occasionally called the Ignisian Republic. Current year is 2697.

Sounds terrible. Hell no.

NS country in Europe, modern day. NS Stats aren't to be followed.

The Federal Republic of Libernia

Summed up:

Refugees fleeing wars in West-Central Europe. Colony controlled by the British then by the French. Declared its independence after WW2. Now a mix of British and French culture along with Mediterranean hospitality and Canadian tolerance. High standard of living. Diverse society. Located in Asia Minor on the far edges of Europe. What is presently Turkey.
