The Celestial Empire of the Arians - Arian Empire

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. The government is led by Amaranthinos, an immortal sorceress who was once a marshal of the army. She is known for her forced conversions of entire worlds and is famous for managing a harem.

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia

The nation doesn't represent my views. It was created for artistic purposes and it's 0% political.

9.5/10, goats in symbolism tend to be of Satan and if you have ever seen a goat in rea life, they are little devils.

This country does not follow my beliefs, but rather something I would find interesting.

Political Compass: -5.75, -4.87

Prorescia is a tourist friendly nation that has some of the most beautiful forests in the world. It controls a small part of current day Brazil about the size of French Guiana and is largely rural because of that with only 3 major cities, Santo Tablo, Pacifil, and Consanto Praia. The Government is Democratic and led by a Council who make most decisions. However, 5 democratically elected representatives can at any time call for a lack of faith vote which would impeach a current council member. The lack of faith vote is voted on by the populace which number in the thousands.

"Don't flatter yourself that friendship authorizes you to say disagreeable things to your intimates. The nearer you come into relation with a person, the more necessary do tact and courtesy become."—Justice Oliver Wendell Holmes Jr.
