The name "Ceyesca" really has no clear origin, but it is theorised that it comes from the French "Pays des Casques" or "Land of the Helmets", this makes sense

because the Ancient Casque people were amazing military men and had distinct helmets, thus being called the Casque people. The Latin people called them the Casquii, which has no clear translation to anything.

"Land of the Helmets" sounds like a theme park attraction.

They have national spirits that are like those in HOI4.

Also, being Texas they have political parties that include prominent ones such  
as the Democratic Party and Republican Party.

While on that note, the Union Party is lead by Oliver North. Who is very  
famous for the Iran-Contra affair from the 1980's.
