I KILLED MONKEY 3321 DAMMIT TAKE ME IN JAIL!

I couldn't stay with this guilt anymore!...he used to be friend i... thought i knew him...everyday when we used to meet at the bar we always used to joke about the other, life was good untill....he betrayed me...that son of a bitch!...**sigh** let me explain... it was a long night drive in the old state Michigan he told me he had a problem with the police, he said that yesterday when he was a bit drunk he crashed his car into a police car murdering one officer, he told me that he had a lot of debt to pay and he would appreciate if i would turn myself to the police as him...i decided to help him since he was my friend, so i turned myself in, i stayed in jail a lot time I didn't though i would stay that much, but when i got out i headed to my home, when i was in front of the door i heard a weird noise coming from there i quickly opened the door, and there was him monkey 3321 banging my wife! How could he do this to me i did everything he asked me and he has the nerves to do this to me, i could feel the anger growing inside me...untill i knew what to do...he looked at me and said

wait its not what you think

But it was too late i quickly run towards him and strangled him with my bare GODDAMN hands...

Then Lucy my wife with terror looked at me and walked slowly to the door, i knew she would turn me in, so thats why the only solution was to take her down too, so i picked a vase and threw it at her she felt like a puppet, and to hide the evidence... i burned their corpses... and that was all I knew what i did was bad but revenge felt sooooo good!

Monkey 3320 sacrificed to the mighty gods of Chaos
BLOOD FOR THE BLOOD GOD
SKULLS FOR THE SKULL THRONE

BLOOD FOR THE BLOOD GOD! HORSES FOR THE HORSEMEN!

From the desk of the Foreign Minister of Gandhian India.

"They will accept the light of the God-Emperor's teachings,
Or they will accept the light of nuclear fusion"
-Ancient Indian proverb

Honestly this nation started out as a joke but now I'm too invested in the lore
And yes, every flag in Gandhian India has a semi-transparent Gandhi face watching over the people.

Monkey 3307 died by being shot by Bufford Tannen over a matter of \$80 after the The lightning bolt that hit the DeLorean caused a jigowatt overload and scrambled the time circuits, activated the flux capacitor, and sent the monkey back to 1885. The overload shorted out the time circuits and destroyed the flying circuits. The monkey set themself up as a blacksmith as a front while I attempting to repair the damage to the time circuits. Unfortunately, this proved impossible because suitable replacement parts will not be invented until 1947. However, the monkey got quite adept at shoeing horses and fixing wagons before being shot.

However, it is not known is Monkey 3307 is actually dead, because Monkey Mcfly, Monkey 3307's friend went back in time to save his friend.
