Quite well-known across several forums. Doesn't use F7 as much as some other regulars, but remains a common face in lots of threads.

The user is definitely very very well-established across different forums, but Forum 7 is really where they come home to roost, like most of the regular guys. Of course, while the user is definitely well-known, you won't recognize their flag, since every time I see them they have a new one. So basically very well-known.
