Feesh

In Character info

The Commonwealth of Atlantarctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantarctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantarctica is **against** weapons of mass destruction and advocate for pacifism. Atlantarctica is classified as a Tier 6, Type 4.5 nation (ns stats bad).
Flag design created by the Kingdom of Cantelo
