### I ate a frog

by **Arlandias** » Tue Dec 20, 2022 8:01 pm

One day, this particular day. Little old Arl decided "I bet I could catch a frog." In his little mind of his.

So the little Arl went out into the vast creek, once he stood next to the shore of a trickling clear river and knelt down to a squat. One thing caught his eye, a golden dart frog. With a fast movement, Arl leaped towards the frog and caught it with his bear hands and ate it. 😄

The end.

Care to tell us more about the time you ate those things, specifically the time you ate the phone booths?
