Politically, Alastair is relatively conservative; he is a proponent of capitalism, though he approves of the legalization of controlled substances as long as they are properly regulated. He does not formally associate with a political party. Alastair finds Parliament to filled with juveniles, an opinion he justifies with the fact that they frequently brawl and have resorted to such extreme measures as deploying finger guns and a Super Soaker.

Average income is an amazing 229,174 holy blessings, but there is a vast disparity between incomes, with the richest 10% of citizens earning 2,111,075 per year while the poor average 2,518, a ratio of 838 to 1.

Suddenly, a pop sound emerges, then General White drops to the ground. The video looks towards the President, who seems surprised. And then the realization hit for the President. He killed. He looked at his gun in shock, and the video ends.
