Question: what would you think about a 90's kid who still likes to listen music they grew up with like Nsync, BSB, Britney Spears, etc....?

"One of the serious problems of planning against Aggie doctrine is that the Aggies do not read their manuals nor do they feel any obligations to follow their doctrine."

"The reason that the Aggies does so well in wartime, is that war is chaos, and the Aggies practices chaos on a daily basis."

"If we don't know what we are doing, the enemy certainly can't anticipate our future actions!"
