Nationwide, yes. Very *socially* conservative population for a while. Multiple states had it legalized prior in 2000.

Those are some great maps, New Wolver. Very interesting city layouts.

Their soldiers use Benelli shotguns, AR-16s, and a pistol. Their military is also purely for defense as the nation is very pacifistic

The military grew from 230,000 men to 9,000,000 in just 2 years under Markus's leadership.

Disneyland Santiago De Cuba has been accused of being 'Too adult' , 'Vulgar' and 'Not fit for kids' by the 'American Child Welfare association'. Though, despite this, they opened the "Ladyleg" amusement ride that has been advertised as "For Adults", but it appears that their regulations are pretty lacking as there are no laws against children partaking in the ride. Indeed this problem sparked outrage in one Cuban mother who his suing her former husband and Disneyland for subjecting her child to the grotesque ride, and quite honestly, the mother has every right to do so as the ride seems to promote misogynistic behavior in men and is discreetly allowing children to become accustomed to that behavior as well which is unhealthy for any child that shouldn't be subjected to those sorts of acts within society.

Successive national leaders have often set about reversing the policies of their predecessors. Yeva Simonov undid much of Mile Litvinovic's work, with Bohuslav Zajczyk in turn reversing much of Litvinovic's actions. Xia Gang would later undo a lot of Zajczyk's initiatives.

Apparently, their nation allows polygamy, is an autocracy, and outlawed abortion

AN: So some big hombre, Typhoon, decided to kill an entire city by saying that no liquid in said city would flow. This killed a majority of the citizens as they needed their blood to flow in order to live.

Immigration from any nation in the CFN is banned. Immigration is also limited to only 125 people per year while emigration is limited to 50 people a year due to how few civilians leave Hathan Prime.

In general, Hathian society is conservative, nationalistic, and traditionalist, with much of the culture's concepts of morality, modesty and purity stemming from religious teachings.

There exists 12 Autonomous Regions within the African Directorate, which are commonly referred to as "bantustans" after the nearly identical concepts under apartheid of granting racial minorities autonomous land areas. The 12 regions are as followed:

English Autonomous Region
Afrikaner Autonomous Region
French Autonomous Region
Portuguese Autonomous Region
German Autonomous Region
Spanish Autonomous Region
Belgian Autonomous Region
Indian Autonomous Region
Griqua Autonomous Region
Cape Coloured Autonomous Region
Baster Autonomous Region
Malagasy and Malay Autonomous Region (MMAR; Malagasy Autonomous Region; Madagascar)
