QUOTE

A Gamecube-era fantasy world that's somehow set in the present day.

We stand not for kings and for lords, but against them. We fight not for race and oppression, but to smash them. We struggle to bring freedom back in the hands of the people, on the riverbanks, up in the mountains, and out on the sea.

The point is not to make a perfect world, just a better one - and that is difficult enough.

- Jose W. Diokno
