I saw these dudes live in March at Lollapalooza in São Paulo. They're fucking great.

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

Lil Wayne...and JB...that doesn't sound good, but I'll give it a try.

EDIT: ...no, just no. That was so horribly boring. His song with Chance The Rapper was 10x better.
