A very simple demand that any company with sense would adhere to.

Tf that's not a record, Allied Iran just replied "cool", another reply to me from Free Ravensburg had less characters than mine, I'm perfectly fine with it as long as they give an explanation. Don't go around expecting effortposts from everyone in threads like this, try to see my other posts and you'll find that I'm not a summie as much as you think. Another nation just replied to you with 12

CHARACTERS, and you had no fucking problem with it. Why? Why am I an exception? Just because I made a joke about another nation that you misinterpreted as hypocrisy? At least 80% of the posts in this thread don't count as effortposts, cope with it. Never knew you were this sour lol. /skip
