electric funeral, slack babbath

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Yeah, I listened to it when you posted it. No matter how many times "Drunken Sailor" is redone, it will always, ALWAYS, remind me of *SpongeBob*. So yeah.
