CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Robert Fripp & Peter Gabriel - [Here Comes The Flood](#)

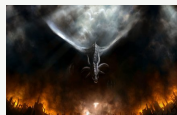

The song originally appeared on Peter Gabriel's *Car* album, but reportedly Gabriel was displeased with the edited result. The original take, which features more subdued vocals, was re-purposed for guitarist Robert Fripp's solo album. This version comes off really well, and is my favorite of the two.
