Intentional? Depending on the reason and circumstances, the maximum would be suspension of driving privileges for 1 year, renewal upon successful completion of driving school and a fine proportional to income.

Unintentional? Again dependent, maximum is suspension of driving privileges for 4 months, renewal after driving school but no fine

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

The closest scenario that the above crime will happen here is when a citizen drinks from a water source that is declared unsafe by the health ministry. In that case, the person will not be covered by medical insurance should he become ill as a result of ingesting that water.
